LTS Session 5 – roughly 52 registrants and 27 of them are Living Social deals. For Session 5, it was agreed that Elena would match up each LTS student to a coach and send the list to Kevin and Cecilia. Cecilia will then make the appropriate name tags. Kevin made it clear that we need to keep track of our LTS students to avoid future phantom students. It was also agreed that every session needs to have a mini-recital at the end. .

3) **Skate Sharpening:** Some of the adult LTS skaters have complained that the skates need to be sharpened. Elena will work with Dave to ensure skates are starting to be sharpened.

4) **Ice Schedule / Costs:**

Children 3 and under are free.

Lesya and Rano will be in charge of decorations and some group numbers. Kim and Marcy will assist in providing decoration items (stars) and plastic Oscar statues to be given to the skaters at the end. Lesya, Rano, Kim and Marcy need to communicate with each other so they each know what they are doing and providing for decorations, etc.

Cecilia will coordinate and chair the event. Cecilia will send out an update to the CIFSC members via email asking them to volunteer, donate needed supply items and to bring a food or drink to the event. Once an LTS participant signs up, they will be added to the email correspondence. CIFSC members get first choice as to what they want to volunteer for or supply, etc.
